

CAROLE NASH

The care it deserves

Travel Insurance through Carole Nash

Here at Carole Nash, one thing we know is insurance. Whether it's motorbike insurance, home insurance or travel insurance policies, you can be sure we'll give you a great value quote. Because the quality of travel insurance cover can vary considerably, buying holiday insurance can be a journey into the unknown. So it's great to be insured abroad through Carole Nash and know you are enjoying superb protection and excellent value.

As well as providing the cover you would usually expect and need from a travel insurance policy, such as cover for cancellation and curtailment, emergency medical expenses and delay. Travel insurance through Carole Nash also has additional benefits aimed specifically at bikers. Many travel insurance policies specifically exclude motorcycling as a "dangerous activity". So you'll be pleased to hear that this not only covers biking, but also provides cover for helmets, leathers and pannier contents.

We also do worldwide cover, please call us on 0800 280 0742
